Florida Studio Theatre is pleased to announce the **Winners and
Honorable Mention Playwrights in the **2009 Young
Playwrights Festival!****

Dear Educator:

Thank you for your support of the WRITE A PLAY Program this season. You helped FST to impact over 55,000 students throughout the state of Florida and in countries around the world.

This was a highly successful year for the WRITE A PLAY Program. Overall, FST received plays from over 5,400 students. We look forward to the continued efforts of these young writers as they tell us to believe in their ideas and the magic and power of the written word.

We send our heartfelt congratulations to the honored playwrights and inspirational educators! We will be contacting you soon with additional Festival information. Please verify that all information and spelling is correct. To view a full list of winners, visit www.floridastudiotheatre.org/childrens_theatre.php. If you have questions regarding the Festival, please call the WRITE A PLAY Manager, Alexander Wemyss, at (941) 366-9797.
