

Write ★ A ★ Play

FST's award-winning WRITE A PLAY program is a year-round arts-in-education initiative, providing students with the **example**, the **inspiration**, and the **skills** to write their own original plays.

All students in Kindergarten through 12th grade are invited to submit their plays to FST's Young Playwrights Festival. Each young playwright who submits a play will be awarded a Certificate of Achievement. Winning plays are selected to be brought to life in a professional production by Florida Studio Theatre.

Play Selection Process

WHAT DO YOU LOOK FOR IN A WINNING PLAY?

All winning plays must have the four key ingredients: Characters, Setting, Conflict, and Dialogue. In addition to the core ingredients, winning plays also have creative and interesting stories. They can be funny or serious, or a combination of the two. All winning plays have the truth and imagination that only a young playwright can bring to a play.

HOW DO YOU SELECT A WINNING PLAY?

Every play is read at least two times by a panel of judges. The judges are both FST staff and community volunteers. If you want to learn more about how you can be a part of the selection process, email writeaplay@floridastudiotheatre.org.
