

Betty: Welcome to our Boomer Bash. :The Wonder Years! You guys are boomers right? Well congrats. You guys are such the bomb that we are doing an entire show just on your first act. From childhood to young adult. Why? Because you cats have been on hell of ride You came of age during crazy times-- Woodstock, Kennedy's Camelot, Vietnam and the space race to name a few. You're the generation that changed the world, , but you didn't start out so cool. You were like any other babies except for there were a lot of you. A lot A lot , like 40% of the population a lot. Which means you outnumbered the adults. With so many of you ankle biters is it any wonder your parents needed a little help they found it with Television! The World's Best Babysitter!
