

## Sam Audition Side

SAM  
Did you get pregnant just to hurt me?

BECCA  
No.

SAM  
You didn't want to have our baby, why would you have theirs?

SAM  
I needed money to stay in school. I already knew so much about all this, it seemed like a good idea. I shouldn't have called you.

SAM  
I'm glad you did.

BECCA  
I freaked out. I shouldn't have involved you. And you're not involved.

SAM  
I'm here, aren't I? Look, I can't help the way I feel -

BECCA  
And you can't stop telling me.

SAM  
I waited my whole life to feel like this -

BECCA  
Don't wait! You want me too much.

SAM  
Impossible!

BECCA  
It makes me think less of you.

SAM  
Oh no, not Thornton Wilder again! You can't measure passion! And if one person's a few degrees hotter than the other, it's still passion! It's worth waiting for. I know what settling is, I've done it. But not again. I'd rather be lonely alone than lonely with someone else.

BECCA  
I'm not that person.
